

Teacher Training Program at Indonesia

Our next University Teacher's Training program has been set for March 9-15, 2020 in Indonesia (Bogor Agricultural University-BAU and Jakarta Fisheries Universities-JFU). All the partners from European countries, NTNU, Norway, Univ of Stirling, UK, University of Thessaly, Greece and Euro Training have confirmed their participation. At least 18 lecturers and many students from the three partner universities in Indonesia (Univ of Gadjah Mada, BAU and JFU) are expected to actively participate. Project team hopes to have a very fruitful week.
